Vol. 1 Issue 2

June 2022- Oct 2022

ABOUT THE COLLEGE

Amrita College of Engineering and Technology (ACET) is a co-educational, self-financing Engineering College (formerly Sun College of Engineering and Technology, established in the year 1999) run by Mata Amritanandamayi Math (MAM), Kollam from the academic year 2018-19. MAM is an International charitable organization aimed at the spiritual and material upliftment of humankind. MAM was founded in 1981 by the spiritual leader and humanitarian Mata Amritanandamayi Devi, with its headquarters in Paryakadavu, Alappad Panchayat, Kollam district, Kerala.

The College has been approved by the All India Council for Technical Education, New Delhi, and is affiliated with Anna University, Chennai. The College is located inside Amrita Institutions Campus, Nagercoil, in a sprawling area of a 100-acre lush green campus, which is situated about 5 Kilometres north of Nagercoil, the headquarter of Kanyakumari District.

Amrita Institutions is known for its value-based quality education through continuously improving its infrastructure, human resources, and teaching-learning process and we are committed to imparting high-quality skill-based education in Engineering & Technology to the youth in order to meet the challenging requirements of the industries.

ABOUT THE DEPARTMENT

The Department of Electronics and Communication Engineering is a core area and one of the broadest engineering disciplines. ECE students at Amrita College of Engineering & Technology (ACET) get abundantly familiarized with Electronics, Communication technologies, High speed processors, Embedded systems etc. The department of ECE, ACET provides a value-based quality learning experience, inculcated through quality instruction, academic exchange and training that prepares students for professional challenges ahead. The department boasts of highly qualified faculty members with rich and varied experience both in industry and the academia.

ECE courses focus heavily on Analogue and Digital electronics, Microelectronics, Computer Networking, Consumer Electronics and Embedded Systems. Special Emphasis is laid on latest processors such as Raspberry Pi, in tune with emerging technological needs and challenges. The curriculum for the Four-year full-time (Regular) B.E. (ECE) course has been developed by the Board of Studies, Anna University, Chennai. Currently, Anna University Regulation 2017 (Choice Based Credit System) is followed. The regulation has been updated as R-2021 and is being followed from the year 2021.

Message from HOD's Desk

Aum Namasivayah!

The Electronica is a common platform provides the detailed information about the department activities of faculty members and students of Electronics and Communication Engineering department. This newsletter platform shared the achievements of the Electronics and Communication Department on a regular basis. Our ECE department continuously focuses on the overall development of student community through Outcome Based Education, Experimental Learning, and involvement in co-curricular & extra-curricular activities through various clubs. This newsletter platform is a performance pointer which shows the academic excellence and strong industry connections of ECE department. The basic concept behind this newsletter is to promote the use of the digital platform as per the mission of digital India. Also, I invite the readers of "THE ELECTRONICA" for their contributions and suggestions for further issues.

Message from Editor's Desk

Namahshivaya!

Welcome to "THE ELECTRONICA," the Department of Electronics and Communication Engineering's second-issue newsletter.

At its heart, the beginning of the academic year is a vision of new events and new beginnings of the opportunity to approach situations differently and with greater intention. As the new academic year for the B.E. program gets underway, so do fresh hopes, goals, aspirations, and developments.

The editorial team would like to thank everyone who contributed information to this publication, especially; we would like to thank Dr. T. Kannan, Principal, Amrita College of Engineering and Technology, Nagercoil, who inspired us to contribute to this edition.

We appreciate your suggestions and support.

Vision of the Department

To become a centre of excellence in the field of Electronics and Communication Engineering to produce motivated, ethical and competent graduates with human values.

Mission of the Department

1. Establishing a unique learning environment to enable the students to face the challenges in Electronics and Communication Engineering.
2. Imparting high-quality skills and knowledge with a focus on developing necessary technical expertise to meet the current and changing industry and social needs.
3. Enriching professional, problem-solving, lifelong learning skills and pursuing research & development in Electronics and Communication Engineering.

Programme Educational Objectives (PEOs)

1. To provide the students with a strong foundation in the required sciences in order
2. to pursue studies in Electronics and Communication Engineering.
3. To gain adequate knowledge to become a good professional in Electronics and Communication Engineering associated industries, higher education, and research.
4. To develop an attitude in lifelong learning, applying and adapting new ideas and technologies as their field evolves.
5. To prepare students to critically analyze existing literature in an area of specialization and ethically develop innovative research-oriented methodologies to solve the problems identified.

Programme Specific Outcomes (PSOs)

1. Design, develop and analyze electronic systems through the application of relevant electronics, mathematics, and engineering principles.
2. Design, develop and analyze communication systems through the application of fundamentals from communication principles, signal processing, and RF System Design & Electromagnetics.
3. Adapt to emerging Electronics and Communication technologies and develop innovative solutions for existing and newer problems.

“If you want to shine like a sun, first burn like a sun.”

Industrial Visit

The Department of Electronics and Communication Engineering of Amrita College of Engineering and Technology, Nagercoil organized an industrial visit to KELTRON (A Government of India Undertaking Unit), Keltron Communication Complex (KCC) Kulathur, Trivandrum, on 01.10.2022. Mr. V. Ramanathan, AP/ECE, Mr. D. Gnanakumar, AP/ECE, and Mrs. V. Anusooya, AP/ECE accompanied the students.

Industrial visit to KELTRON communication complex by II B.E ECE students

The Department of Electronics and Communication Engineering of Amrita College of Engineering and Technology, Nagercoil organized an industrial visit to Equatorial Geophysical Research Laboratory, Tirunelveli, on 04.11.2022. Dr. Allan J Wilson, AP/ECE, Dr. G. Kannan, AP/ECE, and Mrs. A. S. Sarika, AP/ECE accompanied the students.

Club / Professional Society Activities:

- Dr. Allan J Wilson, AP/ ECE & Mr. P. Srinivasan, AP/ ECE has organized an orientation programme, “Discussion with Innovation and Startup Ecosystem Enablers from the Region Level” on 07.09.2022. Mr. Rahul N, Project Lead, Startup TN Tirunelveli Regional Hub, Tamil Nadu Startup and Innovation Mission, Ministry of MSME, Government of Tamil Nadu, was the resource person for the programme.

A glimpse of the Event

- Dr. Allan J Wilson, AP/ ECE & Mr. P. Srinivasan, AP/ ECE has organized an orientation programme, “Incubation Opportunities for Students & Faculties – Early-Stage Entrepreneurs” on 10.09.2022. Mr. K. L. Praveen Kumar, Lead District Manager, Indian Overseas Bank, Nagercoil was the resource person for the programme.

Presenting memorandum to the resource person

- Mrs. V. Anusooya AP/ECE, organized a hands-on training on “Optical Communication System design using OptiSystem Simulation Software” in association with IETE on 29.10.2022.

Welcome Address by Ms. A. Gokula Lakshmi, IV year B.E. ECE, ISF Member

Hands-on training session

Placement Training

- TCS interview preparation tips were given to the IV Year B.E. ECE students (for TCS 1st round selected candidates) on 16.09.2022 and 20.09.2022 by Innate Talent, Chennai.
- TCS interview preparation tips were given to the IV Year B.E. ECE students on 24.09.2022 by Mr. N. Kathikeyan, Associate Consultant, Wipro, Chennai.
